

**Projects approved for funding and reserves at the Fund for Innovations in Culture
Sharing Sofia Pilot Programme 2014**

	Project name	Organization's name	Arithmetic mean score of three evaluators	Approved funding (in BGN)	Brief description of the project
FIC2014-101	FORi – Interactive Media Lamp	Transformatori Association	82	7 800	“FORi interactive media projector” is an experimental artistic project for an innovative installation to advertise cultural projects and events in urban and park area. In contrast to classical static advertising billboards and banners, FORi projects videos on any kind of surfaces – ground, facades, sites...
FIC2014-093	Meetings with time	Pressure Cooker	81	7 931	Mobile audio walks during which the participant will be equipped with headphones with built-in mp3 player. He/she will be able to listen to a special audio record about his/her favorite object. After each walk the participant will share his/her impressions about the experience, as well as his/her dreams and suggestions. Parts of the conversations will be added to the main record and will be accessible for the next participants. The project will be developed in Kyustendil.

FIC2014-074	Culture Management in the Future	ART Link Foundation	80	7 200	The “Cultural Management in the Future” project is an extension of the “Regional Academy for Cultural Managers in the South-West Region” launched by Sofia Development Association. Cultural managers will do internships in the ART Link foundation and will thus gain practical experience in the field of contemporary dance production. They will also learn more about cultural entrepreneurship and residential programs in contemporary performing arts – phenomena that are still not very popular in Bulgaria. They will also develop further partnerships between dance companies in the SWR.
FIC2014-002	First International 3D Art Fest in Blagoevgrad	Association for Art – Art Universe	76	7 200	3D street art becomes more and more popular these days. Using this new artistic tool, artists from all over the country will address their challenges towards art by doing it in non-traditional spaces and using their own language and techniques during the festival in Blagoevgrad and Sofia.
FIC2014-069	Do you understand me? I understand you	SNTs Hladilnika Association	76	6 360	The project focuses on the transition phase between the academic studies and the professional life of an artist and theoretician, as well as on the professional interaction between artists from different generations. The project will be realized in Sofia and Pernik.

FIC2014-098	On the roofs of Sofia	Association "Center for Informal Education ALOS"	75	7 000	There will be organized a video art workshop based on shots taken from high-rise viewing points located in the outskirts of Sofia. The results will be presented at a large scale interactive video art exhibition in the tramway depot "Klokotnitza". The artistic perception of Sofia will trigger the spectator and will contribute to the emergence of a more active and positive approach towards suburban city areas.
FIC2014-033	Share M3: media, Music, Movement	Foundation for Entrepreneurship, Culture and Education	73	6 210	Young IT specialists and artists will develop together a special software for 3D sensor Kinect which will use movement and sound to create colorful pictures. The product will include live music and dance performance played by young artists, as well as projection of movement and sound on an interactive wall.
FIC2014-108	Look Around	Lingua Franca Association	73	7 550	Artistic interventions that will decorate the ugly urban facades by using the shiny side of old CDs. The idea is to make unique and impressive artistic interventions that not only embellish the urban space but facilitate the interaction between citizens and art.
FIC2014-085	Musical Underpass	Yulia Borissova Ivanova – representative of an informal group	73	1 732	The project is an urban environment experiment. It will suggest an interpretation of the Sofia underpass by animating it with artistic content. Light, live music, design, interaction, dance and other events will transform the underpasses into cozy, busy and safe multifunctional spaces.

FIC2014-053	Micro Cosmos	Foundation "Spiritual Legacy of Pancho Vladigerov"	72	6 500	The international project "Microcosmos" will present 65 one-minute piano pieces of contemporary composers from all over the world in Belgium, Bulgaria, Luxembourg and Greece. The plays will be accompanied by multimedia installations, exhibitions, workshops that will encourage the public participation.
FIC2014-104-H	The 90s Beginning of the Myth. Youth Cosmopolitan Culture.	Art Affairs and Documents Foundation	72	6 840	The project deals with the development of the cosmopolitan youth urban culture, associated with interest in different artistic products (pop culture), places for entertainment, fashion and creative practices since the beginning of the transition until nowadays.
FIC2014-111	Photo Fund – Part One	Fotofabrika Foundation	70	5 000	The project will allow the presentation and exploitation of the great number of visual and informational materials, created by Fotofabrika. Photo Fund offers new complex bilingual content appropriate for enriching the learning process, as well as for promoting contemporary Bulgarian culture. The project launches the start of a number of digital photo forums that will facilitate the creation of a museum institution.
FIC2014-044	ArtPhotoFund	Zdravko Yonchev	70	1 980	Art Photo Fund is a professional photographer program that supports innovative cultural projects by shooting and presenting them to large public in a provocative artistic way.

FIC2014-001	Experimental Theatre in the Industrial Zone	Irena Ivanova – Rene Karabash	70	1 800	The project aims to respond to the lack of cultural content in the outskirts of Sofia. The experimental theatre that is going to be created will be presented in the industrial site of Zona Cultura. Different innovative theatre and performance techniques will be used in the project.
FIC2014-065	Interactive Presentation of Emblematic Bulgarian Works of Art for Children	Easy Art Foundation	70	6 500	Interactive presentation of emblematic Bulgarian artistic productions for children. Important facts and events from the history of the Bulgarian fine arts will be shown through short films.
FIC2014-057	Please Turn of the Sound of Your Telephones!	Kristina Spasovska	70	1 800	The project offers an innovative form that facilitates the interaction between young people and theatre art. The organizers will create an event in the National Palace of Culture – a non-traditional space for this artistic genre.
